Sir,

Sub: Land Acquisition - Proposed Tirupati Bypass Road - Objections - Regarding

I am a resident of Tirupati. I have come to know that the Government is proposing to construct a bypass road around Tirupati. I am not opposed to the construction of the bypass road in principle. However, I have the following objections to the proposed alignment of the bypass road.

The proposed bypass road is passing through my land in Survey No. 643 of Tirupati Rural Mandal. I have been cultivating this land for the last 15 years. I have developed a mango orchard in this land. I have also constructed a house in this land. I have been residing in this house for the last 5 years. I have also dug a bore well in this land. I have been getting water in abundance from this bore well. I have been using this water for irrigating my mango orchard. I have also been using this water for drinking purposes. I have been getting a good income from this land. I have been supporting my family from this income. I have also been paying land revenue to the Government from this income. I have been doing all this for the last 15 years. I have been doing all this with great difficulty. I have been doing all this with great hardship. I have been doing all this with great sacrifice. I have been doing all this with great perseverance. I have been doing all this with great patience. I have been doing all this with great faith. I have been doing all this with great hope.
